

## A BLESSING FOR THOSE WHO ARE BEING BULLIED

If you are a gay, lesbian, bisexual or transgender boy or girl, woman or man, or anyone who is being bullied, then this blessing is for you. Carry it with you. Keep it near you at all times. Let it be a light through any darkness as you find your path to the dignity and respect you deserve as a child of God.

My Name is

---

Whatever others may try to call me,  
My Name is

---

God knows me by My Name because God gave me life. God calls me by name because God has a purpose for my life.

God remembers my name because God loves me just as I am.

Therefore, I will not be afraid. I will not be intimidated. I will not be denied my dignity.

I will not harm myself. I will not be called by any other name than My Name.

My Name is

---

And I am beautiful and precious in the eyes of the Lord.
